Xavier

When you turn around,
Birdie turns around too.
When you pick up your cup
to take a sip, they bury their
face in the water bowl.

Coreene

Our bird is still a baby. Babies
tend to mimic adults.

Xavier

Let's move the dining table
next to them.

Coreene

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Coreene

Actually, let's not. What if they try to copy how you eat?

Xavier

...That was the plan. If they eat more, they'll grow up faster.

Coreene

You might not gain a lot of weight, but a bird is different! What if they become a ball of feathers?

Chirpy Treehole

Hatch

Fledge

Adult

Coreene

...Fine. They already look round.

Xavier

That means what they eat doesn't make much of a difference.

Coreene

That doesn't mean you should give them your homemade bread...!

Coreene

And they drove away the evil seagulls!

Xavier

...So Lumiere's successor is a bird.

Coreene

There's bound to be chaos once the news gets out.

Xavier

I'm sure people are going to be... egg-cited.

Chirpy Treehole

Downy

Fledge

Adult

Coreene

According to several research articles, incubating eggs requires maintaining a constant temperature...

Zayne

The ideal temperature is between 37°C and 38°C. If it's too cold or too hot, it won't work.

Coreene

Fortunately, we have an incubator that regulates the parameters and an automatic egg turner.

• Tap to close •

Chirpy Treehole

Coreene

Fortunately, we have an incubator that regulates the parameters and an automatic egg turner.

Zayne

If you're worried, you can visit it often.

Coreene

What do you think? Will our birdie be energetic or calm once they hatch?

Zayne

• Tap to close •

Chirpy Treehole

Downy

Fledge

Adult

Zayne

...I'm going to guess quiet.

Coreene

Why?

Zayne

When we were talking near it, the egg rolled away.

Coreene

...I can't believe an egg just called us noisy.

Zayne

Chirpy Treehole

Downy

Fledge

Adult

Why?

Zayne

When we were talking near it, the egg rolled away.

Coreene

...I can't believe an egg just called us noisy.

Zayne

I suppose the ideal conditions for incubation include perfect temperatures and perfect silence.

• Tap to close •

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Coreene

When Birdie hatched, they couldn't even open their eyes... But they already knew how to open their mouth for food.

Zayne

Ah, it's called begging behavior. It's an instinctive response in chicks.

Zayne

Some adult birds also exhibit begging behavior. They're usually ones that have been kept in captivity for

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Zayne

Some adult birds also exhibit begging behavior. They're usually ones that have been kept in captivity for prolonged periods.

Coreene

Because domesticated birds see humans as their parents?

Zayne

Correct. After hatching, chicks imprint on their parents, a form of behavioral conditioning that needs special attention during rearing.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Zayne

Correct. After hatching, chicks imprint on their parents, a form of behavioral conditioning that needs special attention during rearing.

Zayne

But...

Zayne

This ability to identify food with their eyes closed is strangely familiar...

Chirpy Treehole

Hatch

Fledge

Adult

Zayne

It reminds me of how you open your mouth when you smell cookies... Even when you're in the middle of a nap.

Coreene

Ahem! That's only because you put the cookies right next to my mouth.

Zayne

Don't blame me. I was merely following your instructions to find a creative way to wake you up, Coreene.

• Tap to close •

Chirpy Treehole

Hatch

Downy

Coreene

Not a lot of time has passed, yet Birdie can already flap their wings and fly.

Zayne

They just accidentally landed on my hand before staying completely still.

Zayne

Although they appear calm, it's obvious they're too scared to fly back down.

Coreene

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Coreene

No wonder you cupped them in your hands and brought them back to the nest.

Coreene

That could be considered their first "elevator ride," right?

Zayne

Taking the elevator all the time won't be good for developing their flying skills.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Coreene

Cough. I also take the elevator often...

Zayne

Yet the distance you've covered while chasing Wanderers could circle the entire Earth.

Coreene

Hmm?

Coreene

If we add all the milk tea

• Tap to close •

Chirpy Treehole

Hatch

Downy

Fledge

Coreene

If we add all the milk tea you've drank, that amount could also circle the entire Earth.

Zayne

What a coincidence. I didn't expect us to share such impressive records.

Zayne

Indeed, we're a match made in heaven.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Coreene

Zayne, look!

Zayne

"Chirpee Island's specialty dried fruit. 100% natural with no additives. Enjoy a refreshingly sour summer with these chewy delicacies..."

Coreene

Ignore the text. The package has already been opened.

Zayne

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Zayne

The marks are unusual. The preliminary assessment indicates that this wasn't done by human hands.

Coreene

...Don't tell me you studied forensic science too.

Coreene

The birdie we raised is surprisingly resourceful. I never expected our little genius to be neat even when opening packages.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Coreene

The birdie we raised is surprisingly resourceful. I never expected our little genius to be neat even when opening packages.

Zayne

We usually don't call this zig-zagging tearing pattern "neat"...

Zayne

However, this is an excellent package-opening technique for a bird.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Zayne

However, this is an excellent package-opening technique for a bird.

Coreene

Birdie looks pleased. They want you to share the fruits of their labor.

Zayne

...

Coreene

Haha! Is it really that sour? Your eyebrows are scrunched up.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

want you to share the fruits
of their labor.

Zayne

...

Coreene

Haha! Is it really that sour?
Your eyebrows are
scrunched up.

Zayne

...Open your mouth. I
cordially invite you to join
me in "enjoying a
refreshingly sour summer."

Chirpy Treehole

Downy

Fledge

Adult

Coreene

I heard that water beds are good for incubation. Should we buy one for this egg?

Rafayel

A water bed works. But like, we don't need to get it.

Rafayel

Controlling the water temperature is the important part. And I can easily do that.

Coreene

Chirpy Treehole

Downy

Fledge

Adult

Coreene

You better not boil it!

Rafayel

It wouldn't be a water bed if that happened. It'd be a...

Coreene

Pot.

Rafayel

...So the only difference between a water bed expert and a chef is the temperature.

Chirpy Treehole

Downy

Fledge

Adult

Rafayel

...So the only difference between a water bed expert and a chef is the temperature.

Coreene

...I can't help but feel like our birdie is quietly protesting from inside the egg.

Rafayel

I protested like that too when I first started using the bath water humans were used to.

Chirpy Treehole

Downy

Fledge

Adult

temperature.

Coreene

...I can't help but feel like our birdie is quietly protesting from inside the egg.

Rafayel

I protested like that too when I first started using the bath water humans were used to.

Rafayel

But it's okay. I'm not planning on cooking the egg for lunch.

Chirpy Treehole

Hatch

Fledge

Adult

Rafayel

Painting a portrait of Birdie as a chick is quite the challenge.

Coreene

Why? Are you struggling to find the right colors?

Rafayel

The colors are fine. The issue here is time.

Rafayel

Sketching takes time, applying colors takes time.

• Tap to close •

Chirpy Treehole

Coreene

That won't do. Birdie is looking at you with those beady eyes. They're full of anticipation.

Rafayel

...The only anticipation I see is coming from your eyes.

Rafayel

Ugh, I'm done for. Stop staring at me like that... Okay, I have no choice but to start painting now.

Chirpy Treehole

Hatch

Downy

Adult

Coreene

When did this bird-patterned paper-cutting decoration appear on the table... And it looks exactly like Birdie!

Coreene

Was this also made from your hand, Master Rafayel?

Rafayel

I heard that putting patterns on glass is an effective way to keep birds from flying into windows.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Rafayel

Sooo I cut one out. I'll put it up and see if it works.

Coreene

...Huh? Why did Birdie fly toward the window once the decoration got put up?

Rafayel

Luckily, they stopped in the nick of time... But now they're just sitting by the window and not moving. What does this mean?

• Tap to close •

Chirpy Treehole

Hatch

Downy

Fledge

Adult

What does this mean?

Coreene

I suspect it's because your art is so accurate that they think they're looking in a mirror.

Rafayel

At least they won't fly into the glass anymore. This method was effective.

Coreene

But we have a lot of windows. Do we really need to cover all of them?

• Tap to close •

Chirpy Treehole

Sylus

You're already thinking about cultivating the bird's musical taste? They're still an egg.

Coreene

Ahem. If we put Sylus's greatest hits on repeat...

Sylus

Our bird will grow up to be the Birdie Sovereign who's worshipped on Chirpee Island.

Chirpy Treehole

Downy

Fledge

Adult

greatest hits on repeat...

Sylus

Our bird will grow up to be the Birdie Sovereign who's worshipped on Chirpee Island.

Coreene

...It sounds grand and useless at the same time.

Coreene

More importantly... Will the bird's first chirp be off-key after they hatch?

Chirpy Treehole

Hatch

• Downy •

Fledge

Adult

Coreene

Birdie has grown feathers and resembles a round, plump tangyuan.

Sylus

They're a greedy little tangyuan.

Coreene

Even though you said that, you've gotten used to feeding them.

Sylus

That's not what you said

• Tap to close •

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Sylus

That's not what you said when you asked me to take care of your dove in the past.

Coreene

Practice makes perfect. Now you can take care of Mephisto and newly hatched chicks.

Sylus

...Don't make me sound like I'm some kind of overzealous animal lover.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Sylus

Besides, Mephisto isn't that fragile and doesn't need to be cared for.

Coreene

A love for animals is something that can be cultivated.

Coreene

Look, our birdie is nuzzling your hand. They agree with what I'm saying.

Sylus

Are you sure about that?

A love for animals is something that can be cultivated.

Coreene

Look, our birdie is nuzzling your hand. They agree with what I'm saying.

Sylus

Are you sure about that?

Sylus

They pecked me. They're doubting you.

Chirpy Treehole

Hatch

Downy

Adult

Coreene

Sylus, where's Birdie?

Sylus

...Here.

Coreene

Heh. Their greatest achievement so far is preening while sitting on the shoulder of Onychinus's mighty boss-man.

Sylus

Put them somewhere else when you've taken enough

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Sylus

Put them somewhere else when you've taken enough photos.

Coreene

An opportunity has presented itself, Sylus. Do you want to help me give Birdie some foraging training?

Sylus

It's an essential survival skill. Do they really need to be taught that?

Chirpy Treehole

Hatch

Downy

Adult

Coreene

Don't be so hard on our birdie. They're not living in the wilderness, and they've always been hand-fed.

Coreene

I'll take your silence as approval. Look, Birdie! Do you see these berries?

Sylus

...Your training method is putting berries on top of my head?

• Tap to close •

Chirpy Treehole

Hatch

Downy

• Fledge •

you see these berries!

Sylus

...Your training method is putting berries on top of my head?

Coreene

You're tall, so it's more challenging. And it'll look more impressive in photos.

Sylus

Are you sure you want them to play Nightmare Difficulty already? I won't hold back.

Chirpy Treehole

Hatch

Downy

Fledge

• Adult •

Coreene

Sylus, a lot of time has passed. But Mephisto still seems to be Birdie's only friend.

Coreene

I was hoping they'd have a few more bird buddies on Chirpee Island...

Sylus

Most of the time, socializing is pointless. It's the same for birds.

Chirpy Treehole

Hatch

Downy

Fledge

Adult

Coreene

You must've rubbed off on them. If only you had more friends...

Coreene

The kind and amiable mayor of N109 Zone, Sylus... He brings sunshine and harmony to the area—Okay, maybe I shouldn't entertain this.

Sylus

You already thought about it. Why don't you entertain it for a while longer?

Chirpy Treehole

Hatch

Downy

Fledge

• Adult •

Sylus

You already thought about it.
Why don't you entertain it
for a while longer?

Coreene

If you were that kind of
mayor, I don't think you'd
want to maintain good
relations with the Hunters
Association. Unless...?

Sylus

It's almost like you're getting
more excited the more you
talk about it.

• Tap to close •

Chirpy Treehole
